

Let us Pray

Let us pray that we all learn to treat what God has given us with Love. Love so that we care for his gifts and love so that we share his gifts. Love that lets us serve our communities. Love that lets us live with God before us in all that we do.

Let us pray for those who are serving us all by caring for us at this time. Our hospital staff, our carers in nursing homes and who visit us in our homes. The volunteers who are helping neighbours. The workers who are keeping us fed.

Let us pray for our political leaders throughout the world that they may have the understanding, knowledge and wisdom to make decisions that are fitting in God's sight.

Let us pray for those in our families and our communities who are ill, for those who have died, and for those who grieve.

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. John 3:6
